

SHIELD - COMPLEX MP LITHIUM GREASES

DESCRIPTION

Shield's Multi-Purpose Greases Complex are superior quality Lithium soap greases suitable for lubricating all types of mechanical equipment found in the automotive and commercial industries. The greases are produced by using premium quality virgin base oils and have excellent resistance to oxidation and water washing, as well as having a high shear stability.

PERFORMANCE LEVELS:

- GREASE-US NLGI-LB COMPLEX

APPLICATIONS:

Shield's Complex Multi Purpose Lithium Greases are recommended for use in Industrial and Marine applications, as well as chassis components and farm equipment. It is suitable for wheel bearings (up to 160°C) and is satisfactory for low speed flexible gear-type couplings.

TYPICAL PHYSICAL PROPERTIES				
	GREASE TYPE	C. MP2	C. MP2-3	C. MP3
SL#	NLGI Grade	2	2-3	3
1	Color	Dark Brown	Dark Brown	Dark Brown
2	Penetration, Worked @ 25°C	285	250-270	240
3	Texture	Smooth	Smooth	Smooth
4	Dropping Point, °C	245	260	260

*Exact specifications may slightly vary from the above, but within the international standards.
*Product color can be changed based on customer requirements.
